

WE ARE INVITING YOU!

Arusha Voices United

Dear music lovers,

we are pleased to introduce the new choir "Arusha Voices United"! Under the direction of Rena Jorns, an experienced choir director with 25 years of experience, we meet every

Tuesday at 6:30 pm at the UWC.

During our 90-minute rehearsals you will experience music from all over the world - our repertoire includes choir songs in 37 different languages.

Our choir is intercultural and brings together people from different backgrounds. Come along and be part of our musical journey! Karibu!

We look forward to seeing you,

Arusha Voices United
